I am voluntarily participating with knowledge of the danger involved, and agree to assume any and all risks of bodily injury, or death, whether those risks are known or unknown.

I verify this statement by placing my initials here: \_\_\_\_\_ Parent or Guardian’s initials: \_\_\_\_\_

As consideration for being permitted by PJW, and any owner, administrator, tournament director, chairperson of the premises holding any of the events, to participate in these activities and use the premises and facilities, I forever release PJW or any Lessor or any PJW affiliated organization, and their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively “Releasees”) from any and all actions, claims, or demands that I, my assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) my participation in these activities, (ii) the negligence or other acts, whether directly connected to these activities or not, and however caused, by any Releasee, or(iii) the condition of the premises where these activities occur, whether or not I am then participating in the activities. I also agree that I, my assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives will not make a claim against, sue, or attach the property of any Releasee in connection with any of the matters covered by the foregoing release.

I have carefully read this agreement and fully understand its contents. I am aware this is a release of liability and a contract between myself and PJW, and the lessors, and sign it of my own free will. When Signed by Parent or Guardian: I recognize the dangers of the activities and the significance of this Release and Waiver were explained to the Participant and that the Participant understood them, or I, as parent of the Participant, understand them.

While participating in PJW activities, the Participant will be supervised by \_\_\_\_\_.
